

RULE UPDATE

Effective July 29, 2025

- Any car that spins out as the field is stopping for a red flag situation, to avoid the incident at the discretion of a Williams Grove Speedway Official, will retain their running position as long as such car does not go to the pit area.
- Due to safety, a caution flag will be thrown for any car that does a 360 spin whether they come to a stop or whether they continue under power, at the discretion of Williams Grove Speedway Officials. Driver will restart the race behind all cars running on the same lap.
